Your letter dated 26/01/2022 Our ref.: NŻN.501.40.2022.JT

Certificate of Product Qualification for use in organic agriculture

issued to: CAVITA GROUP Sp. z o.o.

The organic fertiliser produced by CAVITA GROUP Sp. z o.o., under the trade name CAVITA BIOCOMPLEX, in accordance with Regulation (EU) 2018/848 of the European Parliament and of the Council and Commission Regulation (EU) 2021/1165 on organic production, can be used in organic farming.

The product is included in the list of fertilisers and soil conditioners qualified for use in organic agriculture under the number NE/625/2022.

This Certificate is not a guarantee of product performance. CAVITA GROUP Sp. z o.o. is responsible for product quality.

The Certificate shall become invalid if the technology of production of the product is changed (raw material composition or source of raw materials) in a way that may significantly affect product properties. The manufacturer is obliged to immediately notify the Institute of Soil Science and Plant Cultivation – State Research Institute in Puławy, Poland about any such changes.

The Certificate shall be revoked where facts about the adverse impact of the product on the environment, human or animal health, or non-compliance with the applicable rules on organic production, unknown at the date of issue, are found.
